

SATANISM EXPOSED IN AMERICA TODAY

By Pamela Rae Schuffert

Mysterious Asheville, North Carolina.

I have personally performed many years of hands-on investigative research, often dangerous, in and around the city of Asheville, NC. I worked at times with law enforcement as I compiled names and evidence pertaining to cult crimes, and turned it over to proper authorities and agencies in that city.

Asheville is known as the satanist/pagan mecca of the east coast. Nestled in the mysterious Blue Ridge mountains as they descend from Virginia, such remote mountains and valleys have long been the desired sites for bizarre and often violent cult rituals, many culminating in human sacrifice.

As one legal source warned me after I reported a confessed act of human sacrifice involving a young woman,

"Now, calm down, ma'am. **THIS KIND OF CRIME IS FAR MORE COMMON IN THESE MOUNTAINS THAN MOST FOLKS KNOW.** And **DON'T** even trust the police you think are working with you, **BECAUSE MANY OF THEM ARE ACTUAL SATANISTS.**" (Admission from the North Carolina Bureau of Victim Justice.)

Should the American public receive comfort from admissions such as these?

Hear the confession of a former high school student I personally interviewed after being introduced to him by a satanic crime investigator in this region:

"We skinned that baby alive to the scream of 'hail, Satan!' We then draped it's intestines around the candlesticks of our altar. I cut the baby up into pieces, and each person ate some. Later, I took the skull and remains home. I forced the remains down the garbage disposal to conceal evidence from the police, and then burned a candle to Satan on the baby's skull." (This sacrifice took place at Seely's Castle, Town Mountain Road, Asheville, NC.)

Seely's Castle

"And when the mother, my girlfriend, felt bad about giving up her baby for sacrifice and went to the police, we decided to make an example out of her as a warning to the rest of the coven: **NO ONE NARCS ON US TO THE POLICE AND GETS AWAY WITH IT!"**

"We took her up the side of one mountain overlooking Asheville...we laid her on that altar, and the sacrificial dagger was placed in my hands. **I took that dagger and cut her open from neck to groin, and she was sacrificed.** To this day her parents don't know what happened to her."

"Now that I have become a Christian, I can never return to my high school (T.C. Roberson) and tell them I have become a Christian. The students are all into Satanism there...not even their teachers know...not even their parents know! If I were to return and tell them, **they would torture and sacrifice ME for becoming a traitor to 'the Craft.'** No..I will have to continue pretending I am still a satanist..."(Source-Jackson Clemmons)

I know this is true about this high school because one of Asheville's most powerful satanists among the satanist youths boasted this to me over the phone while taunting my friend I had moved in (with whom they had targeted for abduction and sacrifice in 1992.) He boasted to me, "...in fact, we *DO* have alot of our people in that school!"

I have personally held this young man Jackson Clemmon's satanist robe and seen some of his notebooks with satanic writing within. He admitted that the baby sacrifice took place in Seely's Castle, long reputed to be a location for the satanic rituals of the "rich, elite and powerful" satanists that populate Asheville and the surrounding region.

Another picture of Seely's Castle

This grim, grey-appearing castle can only be glimpsed through the woods as one drives towards the city of Asheville from the interstate 40 exit. Or, if one has the courage, to drive up Town Mountain Road (where many of the Satanist elite have large mansions) and to park in front of it's somber metal gates with surveillance cameras. As other former satanists have admitted, **many a human sacrifice ritual has taken place within it's grey stone walls.**

Yet, will the local newspaper or the police ever truly help in exposing such horrors publicly? **NOT** when such satanists sit in the Buncombe County courthouse of Asheville as several judges. Nor when they have infiltrated the police and sheriff's apartments and the State Bureau of Investigation! (and I can name names, but in this case won't.)

Not when such people work for the local newspaper and are operating under the "good ol' boy" networking system to help cover for their own, even as the satanists in the police department are doing as well! (This is similar to Mafia infiltration to also cover for their own.)

I can never forget taking the hands of one Christian officer in that police department and praying with him in his office. He admired the fact that I had enough courage to come to him and mention exposing satanic crime in this area.

"I WANT to investigate and expose satanic crime here, but I am so afraid of retaliation from them..." he admitted as he held my hand and we prayed. His hand trembled slightly. Yes, these satanists have a reputation for instilling fear in all those who oppose them! In fact, in neighboring Madison County, so great is their terror and acts of bloodshed and retaliation, that it is known as "bloody Madison County" by the locals. But this is one of the major areas I worked together with terrorized and afflicted families who were targets of Satanism in these mountains.

I was warned by one former satanic high priest, who had operated both in Virginia Beach and later in the Asheville area,

"NEVER go back to those mountains! Your investigative reporting has affected Satanists throughout the entire Great Smokey's, and they are mad! They want to put a bullet in your head..both the Feds and the Satanists say 'you know too much and you talk too much!'"

(Actually, putting a bullet in my head is quite merciful compared to what I know they REALLY would like to do to me IF they succeed in abducting me!!!)

In fact, I have narrowly escaped several abduction attempts in those mountains, and I was warned by an insider (who had exited that coven) that had they succeeded in one particular attempt, I would have been seized and hauled down in chains in a Ryder rental truck and then chained to the altar in their great Satanist caverns of the Smoky Mountains, which stretch far into Tennessee, and most brutally sacrificed for having dared to stand against them.

Ryder and other rental trucks, including Paschall Trucking Lines (PTL out of Kentucky and Alliance out of Asheville) are frequently used to secretly haul human sacrifice victims to sacrifice locations nationwide.

I will soon give you a report from former Satanists, actual eyewitnesses of what kind of deaths both children and one woman (abducted because she was a Christian praying against Satanism in those mountains) faced in the dread Satanist caverns of Western North Carolina.

My fellow Christians reading this, please understand that all of this is true and really happens, not only in NC but NATIONWIDE and WORLDWIDE as well. Your prayers against Satan's influence and dark kingdom, and against the wicked deeds of his followers, will have an ETERNAL influence on the destiny of millions of lost souls held captive by Satan's demonic forces of deception and spiritual darkness.

And REMEMBER: it is the Satanists/Illuminati of this world who know that the NWO is Satan's manifest kingdom on earth, who are preparing to move against the Christians in North America under martial law, alongside gov/military forces enforcing martial law.

Former Illuminati and satanists (now Christians) that I have personally interviewed throughout these many years, have repeatedly emphasized these truths to me. They have warned me of terrible persecutions planned against the Christians under martial law, because the NWO KNOWS that NO CHRISTIAN can or will ever accept a world government under admittedly SATAN/LUCIFER'S CONTROL.

Therefore, they are planning to utterly destroy them in Fema boxcars and deathcamps and through the Noahide laws/GUILLOTINES agenda. (See Revelation 13 and Revelation 20:4.) This is what former NWO planners AND Satanists/Illuminati have confirmed to me throughout years of investigative journalism. And I have laid down my very life to forewarn my fellow Christians and Americans of what is planned against them in America.

Now that you know the dark and ugly future these wicked NWO murderers have planned for YOUR America, WHAT ARE YOU GOING TO DO IN RESPONSE???

Watch for PART TWO.

-Pamela Rae Schuffert

Satanism in America Today-Part 2

By Pamela Rae Schuffert presenting investigative journalism from a Biblical perspective-

The satanists in the mountains of North Carolina are never shy about announcing their presence. In fact, they have often let it be known that they are quite proud of their exploits!

But then, why not? The jewel of Asheville, NC, is the famed "Biltmore Estate," former home of the the great Illuminati/Satanist millionaire, George Vanderbilt! In his Illuminati mansion, one large room contains a coven's table, with 13 seats on either side. On the door is a plaque with the words, "Assemblage of the Gods."

Indeed, the Satanists of Asheville and elsewhere all consider themselves to be little "gods" unto themselves. And it is reported that covens often meet in this room by night to discuss **HOW THEY WILL BRING FORTH THE COMING LUCIFERIC NEW WORLD ORDER**. Satanist imagery is built directly into the architecture itself.

In fact, one of their great recruiting tactics includes the deceptive and soul-damning enticement of:

"You *too* can be part of 'the rich, the elite, the powerful!' Money can be *yours!* Power can be *yours!* Why, we will even hand you a blank check, and you can fill it out for any amount you want!"

But here's the catch: just sell your precious and eternal soul to Satan, become his wretched slave, and spend eternity screaming for relief in unending flames and agony...*that's all*.

And it's all a diabolic lie anyhow: the vast majority of satanist "useful idiots" are wretchedly poor, miserable and unfulfilled losers in the world. Satan, eternal enemy of the eternally wonderful Almighty God, has nothing to give but heartache, sickness, tragedy and deception leading to eternal damnation. Beware of his lying enticements!

Asheville Mall

This recruitment tactic was attempted on my personal friend, who was a security guard for the large Asheville Mall off of Tunnel Road. The owner at that time was a well known high level Satanist in the Asheville area. Calling my friend into his office one day, this owner pulled the recruitment tactic on him...***not realizing my friend was a Christian and a former satanic crime investigating police officer in Virginia!***

My friend caught on immediately and said, "Wait a minute...you're not one of those *'devil people,'* are you???" To which the owner of the mall smiled and replied, "Well, now, we don't like to think of ourselves in that way, *BUT...*"

My friend, realizing their tactics, excused himself and refused to work there any longer. But indeed, it would appear outwardly that these satanists *ARE* "the rich, the elite and powerful," not only in Asheville but throughout the nation.

But it is all an empty delusion. Where their souls will spend eternity for such darkness is another subject. No amount of earthly riches can compensate for the eternal torment and damnation they will receive some day...

Such Satanists decided to announce their presence and their future intentions under martial law to my Christian friends one day.

You see, every Satanist/Illuminati member worth their title, knows the dark underlying truth about THE NEW WORLD ORDER. The NWO is simply Satan's manifest kingdom on earth, wherein Satan/Lucifer foolishly attempts to replace God Almighty, bolstered up by his equally foolish followers composing Satan's kingdom (Satanists, Illuminati, the Craft and the Brotherhood, etc.)

The Illuminati Communists are the original plotters of the *"TRIGGER MARTIAL LAW TO DESTROY THE CONSTITUTION, KILL OFF ALL THE CHRISTIANS, AND USHER IN OUR NWO AGENDA"* scheme.

As former satanists and Illuminati admitted to me, they couldn't *WAIT* to get their hands on the Christians (and all OTHER NWO resisters under martial law) and *ruthlessly destroy them.*

This is why the satanists/Illuminati/Communists plan to help the government round up the Christians under martial law, throw them into boxcars with shackles and send *them to the FEMA camps. Just like Bolshevik Communists sent Christians to gulags by prisoner trains for many decades throughout Russia and the former Soviet Union.*

"BEHOLD YOUR FUTURE EXECUTIONERS!"

Hated by the NWO Satanists are the Christian pro-lifers! (*WHY DO YOU THINK COMMUNIST/NWO HOMELAND SECURITY LISTS CHRISTIAN PRO-LIFERS AS "TERRORISTS?"*) I was a part of the pro-life group in the Asheville, NC, region for many years. The leader, Mick of [LIFE ADVOCATES](#), admitted to me one day that his pro-life picketers had experienced *QUITE* a run-in with Asheville's satanists.

"We were picketing in front of an abortion clinic in Asheville, when about **two hundred young people dressed in Satanic black robes** and pagan jewelry came up to us with banners, counter-picketing. They looked evil."

"They were chanting over and over, out loud, '**BEHOLD YOUR FUTURE EXECUTIONERS!**' Their signs also contained these words. And for two hours they surrounded us and chanted this in strange intonations..."

When I asked Mick if he and the Christians understood what the Satanists/pagans were communicating to them, he admitted he did not. (Nor would most Americans understand this either without researching Satanism AND martial law.)

I patiently sat down and explained to him what my research had uncovered regarding both Satanism and **COMING MARTIAL LAW** and the role America's satanists would play in coming Christian persecution. (This website covers this subject.)

"Mick, the Satanists of this region were actually being generous to you Christians! **They were announcing to you their future intentions for when martial law comes down across this nation.**

For in fact, as they have explained to me personally, they will play a large role in the rounding up of Christians and all other resisters (as defined by our corrupt government) and their subsequent termination under martial law. Under martial law, it will be open hunting season for the Christian and Patriot resisters of their Luciferic New World Order..."

Mick was silent as these words slowly were impressed in his mind.

In fact, my research has uncovered the reality of FEMA BOXCARS AND SHACKLES already in place in Asheville for the coming hour of martial law, as confirmed by several former Satanists involved in the preparation for martial law in that region.

Old Train Station, Biltmore Village

I questioned one former satanist, "Jericho", and he admitted that such boxcars were indeed in the area I had searched, Biltmore Village, behind large fenced off areas.

"Yes, **you are correct**...Asheville has their prisoner boxcars with shackles ready for martial law. And yes, they have the shackles and guillotines you report on. **But OUR boxcars have ONE MORE THING...**"

One more thing...as if shackles and the horrific military guillotines weren't enough already? I rolled my eyes and replied sarcastically as I then looked at him, "Oh, and what would that be...**satanic altars even...?**" He actually smiled as he replied, looking surprised, "*How did you know?*"

Huh? I was only being sarcastic. A little grim humor. But I quickly realized then that he was being serious.

I looked directly into his eyes and quickly responded, I admit with some anger, "**Because I know the nature of the satanists in these mountains**...I have fought them for years...and nothing is too evil for them to do. So, they even plan to sacrifice these poor Christians arrested under martial law **BEFORE** they reach the FEMA camps alive...a '**one more sacrifice to satan to get power to bring down the NWO,**' thing, eh?"

Surprised that I knew all this, he replied again, "Yes..."

Let me go even further. I know that he was speaking the truth, **because he was my father's former satanic high priest in Virginia Beach, VA so many years ago.**

Years ago, I was **FORCED** into this battlefield against Satanism and the NWO, **because my famous USAF father foolishly succumbed to satanist recruitment tactics. He was brainwashed by NWO military ideology in the USAF and the PENTAGON. And oh, how my family and I suffered so deeply for many years as a result of his sin.**

He would come home from the Pentagon making cruel statements to intimidate my Christian mother and I, such as "EVERYONE WHO BELIEVES IN GOD SHOULD BE SENT TO CONCENTRATION CAMPS..." The pain that would fill my heart was indescribable, as he made statements such as these, even as I was attending Bible College and serving God.

I was in fact fighting satanism and the NWO within my very own family and home!

Long before America had ever reached the place that she is now at, perched precariously on **THE EDGE OF THE ABYSS OF MARTIAL LAW**, I was **FORCED** into

a spiritual battlefield I never wanted to be in, I was COMPELLED to understand painful things I never wanted to learn, and finally convicted to write reports to my fellow Americans about satanism and their NEW WORLD ORDER that I never really wanted to write.

Truthfully, I wanted to be like millions of OTHER typical American Christians: happy families, loving daddies, walking about in blissful ignorance while living in Christian "fantasyland." I wanted to write happy stories wherein the subjects lived "happily ever after." But that was never to be!

Instead, God in His infinite wisdom and for His sovereign purposes, permitted everything that ever happened in my life to happen, knowing it would someday be turned into a TESTIMONY for His glory. And that it would also be used to someday compel me to EXPOSE THE NEW WORLD ORDER wickedness and warn my fellow Americans.

This is deep dark insider stuff, folks. This is not mere second-hand info "surfing off the net." You need to understand this. NO one outside the Illuminati and satanists and NWO communists, is ever supposed to know these dark plans...ever. My father was an insider. His high priest was an insider. Many of the people I have interviewed are former insiders who have put their lives utterly at risk to warn America the truth.

Some of my many readers are satanists. Some are CIA. Some are military intelligence. *And they all know these things are true. And I know some are thinking as they read reports and shake their heads, "Yeah, it's all true...but are you CRAZY? This kind of reporting makes ENEMIES! They will KILL you for telling the public this!"*

No, I am not crazy. I am simply one honest Christian woman who knows the truth...the horrible, sickening, heartbreaking truth that has repeatedly broken my heart and driven me to my knees repeatedly for many years now, with every report I am compelled to write exposing their accursed NEW WORLD ORDER insanity planned for my precious America.

Let me state the following for all the world to read: as long as even ONE of my precious fellow Christians and Patriotic Americans are endangered by their maniacal and genocidal NWO agenda for my nation, *I will give my life and all I hold dear, to forewarn my people.* God help me, if I could ever prefer my own life and safety, over the lives of untold millions of my endangered fellow Americans in this desperate hour.

To illustrate the sheer brazenness of these Asheville satanists, I will share with you how *ONE HALLOWEEN, THEY HAD ONE OF THESE FEMA BOXCARS PULLED OUT OF STORAGE AND PUT ON PUBLIC DISPLAY!*

According to an eyewitness in that area, they decorated this boxcar's interior with Halloween decorations, and then charged admission, calling it "Haunt House!"

*The one they used even had **A GUILLOTINE** displayed in it. Yes, the very military guillotine that will be used to enforce Noahide laws and behead Christians in such boxcars under martial law.*

They were even advertised in the local paper, the Asheville Citizen Times! **YET...**under martial law, they will be used in earnest to haul arrested Christians, Patriots and others to their brutal deaths in the deathcamps of North Carolina that will be activated! I was incredulous when I heard *THAT* report from a Christian friend!

*Two former satanists from Asheville, one with an evangelistic ministry nationwide now, and the other his cousin, both admitted to me that my research in Asheville was accurate, and that the satanists of that region couldn't **WAIT** for martial law to be declared.*

Admitted Richard Morgan (now deceased) of Loving Hearts Ministry, **"All the things you have reported on regarding satanists, Asheville and martial law are true...AND MARTIAL LAW IS IT!"** He admitted this while hosting a Christian Biker crusade at Bradenton Christian Retreat in Florida, where my wonderful Christian mother worked at that time. Richard was a former satanist assassin biker for many years before coming to Christ.

Sadly, even when the Christians have the wicked intentions of the Satanists of America proclaimed before their very eyes, **"BEHOLD YOUR FUTURE EXECUTIONERS," MANY STILL DON'T GET IT!!!**

(In fact, it was reported to me that even some churches took their kids to see "Haunt House" and took them *INTO* these boxcars with shackles as a form of Halloween amusement! This is the equivalent of Nazi era Jews being charged admission to go into Hitler's deathcamp trains! Don't you **GET IT**, American Church???)

Sadly, many won't get it...until they are brutally arrested and led away to the FEMA boxcars with shackles of the NWO to ultimately die for their faith in the deathcamps of America.

Christian friends and readers, don't say you were not warned. Please get it...please wake up...please prepare to defend and protect your family and precious children from these NWO satanists when they come for YOU under martial law.

UNDER MARTIAL LAW, DO NOT SURRENDER YOUR WEAPONS...DO NOT

**SURRENDER YOUR LOVED ONES...REFUSE TO BE TAKEN ALIVE TO THEIR FEMA
BOXCARS AND DEATHCAMPS. DEFEND YOUR GOD-GIVEN RIGHT TO LIFE AND
FREEDOM TO THE VERY END.**

You are under neither spiritual nor moral compulsion to meekly cooperate with these traitorous and brutal NWO murderers in their planned persecution, torture and destruction of *YOU*, and *your* American heritage, *your* cherished Christian faith, and *your* priceless freedom.

Almighty God Himself stands against satan, his dark kingdom, his followers' NWO agenda, and his hordes from hell.

And so, my Christian friends, must *YOU*.

Satanism in America Today Part 3-

AMERICA'S UNKNOWN MARTYRS

The tragic reality remains that innocent victims are perishing increasingly across America on Satanic altars or crosses in countless rituals.

According to one noted televangelist, Satanism is AMERICA'S FASTEST GROWING RELIGION!

Yet you average American knows little about it's reality, or how to actually protect their family and children from such attacks.

And many of America's Christians actually believe that *BECAUSE* they are Christians, they are automatically immune from such attacks. *WRONG!*

Both Christians and non-believers have died on the Satanist altars of America. Hear the words of a former high level Satanist high priestess over Indiana for 17 years, also former CIA assassin, Elaine Knost:

"I would get so angry when Christians would come up to me after my lectures on Satanism, and say, 'Well, because I am a Christian, I cannot be touched by Satanists!' Wrong. ***SATAN HAD GIVEN US A MANDATE TO SACRIFICE CHRISTIANS***, and we obliged him. We targeted them, stalked them, abducted them, ***AND THEY WERE ABDUCTED AND SACRIFICED LIKE ALL THE REST.***"

"*Except that...in many cases*, just as we were bringing forth some of them to be tortured and sacrificed, ***A BRIGHT LIGHT WOULD APPEAR OVER THEM*** and they would start to shout, 'Jesus, you've *COME* for me!' And just like that...their souls

would be gone...and we were left with dead smiling corpses. Our night of fun would be ruined! And I would go home cursing and saying, 'what *IS* this with so many of these Christians...before we can kill them, ***THEY ARE GONE***, and ***WITH A SMILE!***' I tell you, nothing convinced me that ***Jesus was greater than Satan*** than when these things would happen during our rituals..."

Elaine admitted that this was *not always the case*, however, and some died in great agony. I want to point out that Christians die in car accidents. They die of cancer. They die of gunshot wounds. Being a Christian does not make anyone immune automatically to such attacks! Nor does it make them immune to persecution or martyrdom.

Therefore, precautions *SHOULD BE TAKEN* to help prevent Satanist attack and abduction of family members and loved ones.

I am sharing the following accounts to wake up my fellow Americans to the reality of attacks of this nature, and will follow it with special precautions to be taken to avoid becoming ***JUST ONE MORE VICTIM*** on American soil. Satan is the author of death. Jesus Christ declared, "I AM come that they might have LIFE and have it more abundantly!"

The following accounts come out from the mountains of North Carolina as they stretch into Tennessee. They come from a now Christian source, undergoing professional counseling after coming out of years of Satanism, having been born into a Satanist family and dedicated to Satan from her mother's womb. I have spent hours personally interviewing Paula, working with her professional counselor for many years in exposing Satanism in this region. Many of her accounts have been further confirmed through other former Satanists in that region.

"I would often travel with my father when he was sent out *to abduct people for sacrifice*. I was placed in the front passenger seat of the satanist van to make my father appear innocent: he was carrying a child. But it was just a deceptive front. And behind us, concealed inside the back of our van, were two men with knock-out drugs and duct tape. The windows were blacked out and a blanket put behind the driver and passenger seats up front so no one could see them."

(This is typical for satanist abduction vans and teams. Beware when you see such suspicious vans prowling dark streets, blackened windows, especially out late at night.)

"There was this one woman these satanists especially hated and were stalking. She was in her early twenties, pretty, and known as a strong Christian. We knew she was joining in prayer meetings praying against the Satanists here. So we were stalking her for sacrifice.

One evening, just as it was getting dark, we spotted her walking home along a deserted country road. Our van pulled up, and our men jumped out. They grabbed her, duct taped her hands and feet together and her mouth shut, and injected her with a knock-out drug. She lay silent as we drove her to the caves where our rituals took place." (This location is beyond Murphy, NC, as you drive into Tennessee.)

"When she came out from the influence of the drugs, **she was naked and chained to our altar.** The Satanists then told her that they wanted her to be recruited into Satanism and to work undercover for them, to infiltrate churches and spy on the Christians for them and to help recruit others. But if she would not recruit into Satanism, she would be sacrificed. All she would say is, 'I am a Christian, I cannot deny Jesus Christ...'"

"And when they saw she would not cooperate, they began to torture and sacrifice her. I watched as they did various things to torment her, finally driving a spike through her head from ear to ear. And when she continued to groan, they took a high caliber handgun, inserted it into her vagina, and pulled the trigger. The bullet exited through her head, and by then she was gone. *But never once did she deny Jesus Christ...*"

I am sparing the American people no details, however graphic. Why? Because of the intense apathy and ignorance that America's Satanism thrives and operates under!

Your ignorance is their cloak of darkness under which they must operate! With such atrocities multiplying throughout this nation, it is time the veil be lifted. It is

my intent to use these true accounts to melt indifferent hearts in this nation and to wake up America...especially Christians.

Paula also admitted, "At one time, our satanist coven kidnapped a pastor. He was brought to our cave and stripped and **nailed to a cross**. He kept pleading with us to repent and accept Jesus Christ as Lord and Savior. And when they got tired of hearing that, they slashed his throat and finished sacrificing him..."

Even little children are not spared.

"Our coven often sacrificed children. Satanists believe that the smaller, more innocent and perfect the victim is, the more power Satan will give them through the sacrifice. Some of our members were doctors, and we had shock treatment equipment in our cave. Children were chained to altars, electrodes placed on their bodies, and they were shocked into spasms and seizures. Their private body organs were often ripped off and thrown to our dogs in the caves. They were raped, tortured and killed," admitted Paula through tears.

"I will never forget one little girl...they used a power saw to begin to dismember her, starting at her feet. I will never forget her screaming as they slowly began to cut her apart...the screaming only stopped when they finally reached her stomach, and she was gone. There were always video cameras mounted on the walls **so that each sacrifice could be turned into another money making porn snuff film.**"

"They even abducted pregnant women. I would watch as these women would plead for the lives on their unborn children. The unborn would be cut out of the mother's body and then sacrificed...then they would sacrifice the mother. Or often, we would throw babies alive into vats of battery acid. Yes, I have watched many victims as they took their final breath..."

One friend of mine, Cathy Cary, now a Christian undergoing extensive counselling, **was sold into Satanism** and the coven in her area at the age of two (her parents needed the money.) I spent much time with her, interviewing her in the Cleveland, OH, area and also at a Christian retreat. She was personally being trained under the infamous Norma Fitzwater, brutal high priestess of Cleveland and the entire Ohio Satanist region for over 25 years.

(Fitzwater's name and rank were personally confirmed to me by numerous former

Satanists, including my CIA source. I have personally gone on the radio broadcast of Pastor Ernie Sanders of Cleveland,OH, to expose this vicious Satanist for an entire week.)

She shared the following:

"I only had a week to enjoy my newborn, Baby Becky, before she was brutally sacrificed. During the ritual, I was forced to the front of the altar. My clothes were torn off. Screaming, I was fastened to the altar as my baby was seized. They laid my baby on my naked stomach and began to sacrifice her. A knife was inserted into her vagina to enlarge it and they then began to sexually assault her...to the extent that her internal organs spilled out. She was cannibalized. When the ritual was finished, I was released and the remains of Baby Becky were handed to me in a bloody blanket."

She led me over to a window in her home.

"See those wild daisies in the corner of the yard? That is where the remains of Baby Becky are buried under..."

My fellow Americans, multiply this wicked assault on the little children of America by the Satanists many times over, and you will begin to have some idea of the extent to which our nation is stained with the blood of the innocents. Does *ANYONE* care???

Our prayers can make the difference.

-Pamela Rae Schuffert
